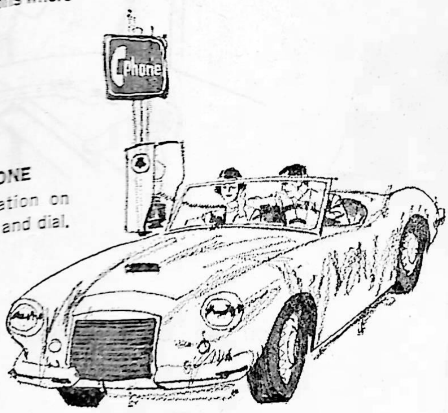
If you can "do it yourself"
that's fine—but if you
need professional help,
look in the YELLOW PAGES
Wear out the YELLOW PAGES


instead of yourself

NEW PUBLIC PHONES

to serve you in new ways and places

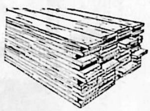
THE CORNER SHELF
—Allows indoor locations where booths will not fit.

THE DRIVE-UP PHONE
—A natural for a nation on wheels. Just drive up and dial.

THE WALK-UP PHONE
—Saves time and steps for everybody. Handy as the corner mailbox.



THE AIRLIGHT BOOTH
—Telephone service on streets and highways wherever you go.

TIPS on HOW TO USE the... Yellow Pages

NO MATTER WHAT YOU ARE LOOKING FOR . . . JUST THINK OF THE WORD OR PHRASE THAT BEST DESCRIBES IT AND LOOK IT UP, FOR EXAMPLE:

WANT TO BUY SOMETHING?

Suppose it's lumber. You will find it under **Lumber —Retail**

NEED A SERVICE OF SOME KIND?

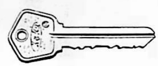
Perhaps your clock is out of order. Look for a firm under the heading of **Clocks—Repairing**

WANT TO SELL SOMETHING?

Want to sell an antique? Just turn the pages to the **Antique Shops** heading. You will find dealers listed who buy antiques.

WANT TO RENT SOMETHING?

Suppose it's a trailer. Open the book to **Trailer Renting & Leasing.**



WANT A BRAND NAME PRODUCT?

Perhaps it's a well known water heater. Turn to **Water Heaters.** There you can select a dealer listed under the trade mark of the brand you want.

NEED EMERGENCY SERVICE?

Suppose you lose your house keys. Look under **Locksmiths** for one who is located near your home.

Yellow Pages

THE YELLOW PAGE EMBLEM Leading national manufacturers use it as an important part of their magazine, TV and newspaper advertising campaigns. Locally you'll see the emblem on a company's shop door or window or on it's delivery vehicles. When you need that company's products or services, the emblem with the message "Find Us Fast", is your guide to the Company's ad in the Yellow Pages.
